|-------------------------------|------------------------------------------------------|
| Insert Type                   | 1 gang 10AX 2 Way Rocker                             |
| Insert Colour                 | Antique Brass/Black                                  |
| EAN13 Barcode                 | 5017504018634                                        |
| Commodity Code                | 85363010                                             |
| Luckins TSI                   | 387387349                                            |
| ETIM Class                    | EC001590                                             |
| Dimensions(Nominal)           | Single: Height = 88.5mm Width = 88.5mm Depth = 7.5mm |
| Weight                        | 157 GR                                               |
| Fixing Hole Centres           | Box Fixing = 60.3mm Grid Fixing = N/A                |
| Minimum Wall Box Depth        | 25mm                                                 |
| Switched Poles                | Single                                               |
| Current Rating                | 10AX                                                 |
| Voltage                       | 220/250V AC                                          |
| Maximum Load                  | 10 Amp inductive                                     |
| Mains Frequency               | 50Hz                                                 |
| IP Rating                     | IP2XD                                                |
| Contact Gap Minimum           | 3mm                                                  |
| Terminal Capacity 1           | 5x1mm <sup>2</sup>                                   |
| Terminal Capacity 2           | 4x1.5mm <sup>2</sup>                                 |
| Terminal Capacity 3           | 1x2.5mm <sup>2</sup>                                 |
| Terminal Capacity 4           | 1x4mm <sup>2</sup> Multi-strand                      |
| Terminal Capacity 5           | 1x6mm <sup>2</sup>                                   |
| Earth Terminal Capacity 1     | 5x1mm <sup>2</sup>                                   |
| Earth Terminal Capacity 2     | 4x1.5mm <sup>2</sup>                                 |
| Earth Terminal Capacity 3     | 3x2.5mm <sup>2</sup>                                 |
| Earth Terminal Capacity 4     | 1x4mm <sup>2</sup> Multi-strand                      |
| Earth Terminal Capacity 5     | 1x6mm <sup>2</sup>                                   |
| Product Class 1               | Must be earthed                                      |
| Ambient Operating Temperature | -5° to +40°C                                         |
| Recommended Location          | Internal Use Only                                    |
